Dear Sandy,

At its meeting on March 26, 2009, the Vermont Economic Progress Council acknowledged the receipt of an application for an extension of the existing North (Husky) and South (Catamount) TIF Districts, consistent with Section 2j of Act 184 of the Acts of the 2005 Adj. Session (2006) and amended by Section 68 of Act 190 of the Acts of the 2007 Adj. Session (2008).

In accordance with the session law cited above, these TIF Districts are extended for an additional ten (10) years beyond the initial ten (10) years originally approved. The original ten (10) year period was from April 1, 1999 to March 31, 2009. The extension began April 1, 2009 and expires March 31, 2019. The TIF Districts are subject to the applicable limitations and conditions contained in statute, as amended by Section 2j of Act 184 of the Acts of the 2005 Adj. Session (2006) and amended by Section 68 of Act 190 of the Acts of the 2007 Adj. Session (2008).

The TIF Districts are also subject to the reporting requirements contained in 24 VSA §1901.

Sincerely,

Fred Kenney
Executive Director
